

# Tykes & Teens Wish List

As a non-profit agency there is limited grants for operations and infrastructure, overall maintenance of the three offices in Martin County and office improvements. Below is a wish list of items that would positively impact the client experiences and support Tykes & Teens continuing to meet HIPA compliance, data security, storage needs and reliability. Also included is a list of trainings Tykes & Teens would like to provide to staff in specialized areas to support the youth in Martin County.
